

PXT SELECT™ SHOWCASES

Making the very human decisions about hiring simpler and smarter.

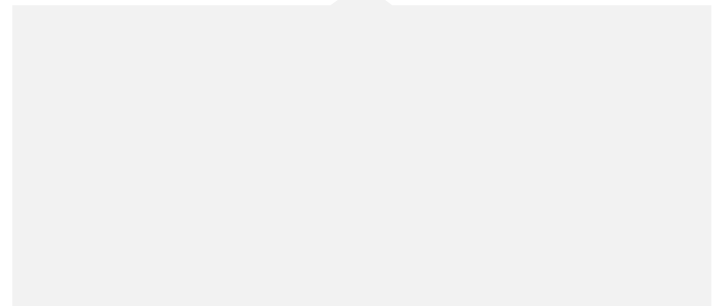

Using the latest innovations in assessment technology, PXT Select™ takes hiring and development to the next level. Combining 20 years of research with cutting-edge computer adaptive testing, PXT Select gives you a meaningful edge to hire the right candidates.

IN THE SHOWCASE, YOU WILL LEARN:

- The full value of PXT Select and its innovative suite of reports for selection, onboarding, coaching, and team development.
- How to get a clearer picture of the ways candidates' thinking styles, behaviors, and interests impact success.
- Strategies to enhance performance and maximize an individual's contribution to an organization.
- How PXT Select can help you build confidence in your hiring and interviewing process.

PXT Select helps fill the gap between the resume and interview. It equips organizations with actionable data to interview better and hire smarter.
